

January 2008

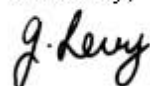

Dear CINAHL*Express*[®] and Document Delivery Customers,

The requests for the delivery of journal articles have steadily declined over the past few years. Therefore we have made the decision to discontinue the document delivery service, and the CINAHL*Express* document delivery service, as of January 1, 2008.

The CINAHL[®] Database with full text and the CINAHL[®] Plus Database with full text are available through EBSCO*host*[®].

Please email information@epnet.com or call (800) 653-2726 for more information regarding access to our full text collections.

Sincerely,

June Levy, MLS
